

Cigna Dental Benefit Summary

Fayette County, Georgia

Plan Renewal Date: 07/01/2021

Insured by: Cigna Health and Life Insurance Company

Receiving regular dental care can not only catch minor problems before they become major and expensive to treat - it may even help improve your overall health. Gum disease is increasingly being linked to complications for pre-term birth, heart disease, stroke, diabetes, osteoporosis and other health issues. That's why this dental plan includes **Cigna Dental WellnessPlusSM** features. When you or your family members receive any preventive care service in one plan year, the annual dollar maximum will increase in the following plan year. When you or your family members remain enrolled in the plan and continue to receive preventive care, the annual dollar maximum will increase in the following plan year, until it reaches the level specified below. Please refer to your plan materials for additional information on this plan feature. **Your DPPO plan allows you to see any licensed dentist, but using an in-network dentist may minimize your out-of-pocket expenses.**

Using an in-network dentist may minimize your out-of-pocket expenses.

Benefit Plan Provisions:	
<i>In-Network Reimbursement</i>	For services provided by a Cigna Dental PPO network dentist, Cigna Dental will reimburse the dentist according to a Fee Schedule or Discount Schedule.
<i>Non-Network Reimbursement</i>	For services provided by a non-network dentist, Cigna Dental will reimburse according to the Maximum Reimbursable Charge. The MRC is calculated at the 90th percentile of all provider submitted amounts in the geographic area. The dentist may balance bill up to their usual fees.
<i>Cross Accumulation</i>	All deductibles, plan maximums, and service specific maximums cross accumulate between in and out of network. Benefit frequency limitations are based on the date of service and cross accumulate between in and out of network.
<i>Calendar Year Benefits Maximum</i>	The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable. Benefit-specific Maximums may also apply.
<i>Calendar Year Deductible</i>	This is the amount you must pay before the plan begins to pay for covered charges, when applicable. Benefit-specific deductibles may also apply.
<i>Late Entrant Limitation Provision</i>	Payment will be reduced by 50% for Class III, IV and IX services for 12 months for eligible members that are allowed to enroll in this plan outside of the designated open enrollment period. This provision does not apply to new hires.
<i>Pretreatment Review</i>	Pretreatment review is available on a voluntary basis when dental work in excess of \$200 is proposed.
<i>Alternate Benefit Provision</i>	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.
<i>Oral Health Integration Program (OHIP)</i>	Cigna Dental Oral Health Integration Program offers enhanced dental coverage for customers with the following medical conditions: diabetes, heart disease, stroke, maternity, head and neck cancer radiation, organ transplants and chronic kidney disease. There's no additional charge for the program, and those who qualify are eligible to receive reimbursement of their coinsurance for certain related dental procedures. Eligible customers can also receive guidance on behavioral issues related to oral health. Reimbursements under this program are not subject to the annual deductible, but will be applied to and are subject to the plan annual maximum.
